Announcing the new appointment of Senior Managing Director and Chief Investment Officer

Alternative Investment Capital Limited(AIC), is delighted to announce its appointment of Mr. Motohiro KOKUBU as Senior Managing Director and Mr. Shinji NOZU as Chief Investment Officer(CIO), in light of further strengthening AIC's management and investment capability as a team.

As Senior Managing Director, Mr. Kokubu will further be involved in company management and assisting the President, Mr. Reijiro SAMURA.

Mr. Nozu will join Mr. Samura as CIO, whom currently holds the role of CIO. By adopting a dual-chief investment officer system, Mr. Samura and Mr. Nozu will further enhance AIC's investment capability and expand our horizons, broadening the coverage of private assets and deepen our expertise in each area.

In recent years, there has been a growing need for illiquid assets, including private equity. AIC believes that the roles expected for itself are becoming increasingly broad and important. Taking the opportunity through this new appointment of our senior management staff, we will continue to grow as an organization and provide high-value-added, high-quality services to our clients.
